These are three petitions filed by different petitioners who are young girls and allegedly are being harassed by the proposed accused, who have created their fake I.Ds on the facebook and are sending lewd massages from them.

The case of the petitioners is that they have tried their level best for redressal of their grievance and have approached the respondents in this regard, particularly respondent No.2 and 3, who although ensured them for initiating an action against the proposed accused but so far nothing has been done by them. Resultantly the petitioners are facing constant harassment by the proposed accused.

Today Mr.Iftikhar Ali (Assistant Prosecutor F.I.A) has appeared, he states that for the investigation of such kind of cases, the petitioners will have to appear in their office at Karachi, as the main server of the computer which is used to collect and save the incriminating data and take screen shots thereof is available there. He has assured that, if the petitioners come tomorrow at their office at about 12:00 midday (noon), their grievances would be attended to by himself and he would ensure that an action in accordance with law is taken against the proposed accused. The petitioners are satisfied to this

proposal and seek disposal of the petitions in the said terms. They further state that they will appear at the office of F.I.A at Karachi tomorrow at the given time. Accordingly, these petitions are disposed of in the said terms. The said officer shall attend to the grievance of the petitioners as undertaken by him and submits such compliance report.
