Petitioners are voters of constituency NA-205 & PS-32 and have filed this petition for establishment of a polling station at Government Boys Primary School Razi Kalhor, situated in Deh Salehpur on the ground that current polling station situated in village Kot Ghulam Shah is fifteen (15) kilometers away from the petitioners' houses.

This petition has been objected by the other side including Counsel representing Election Commission of Pakistan. Returning Officer PS-32 is present and submits that in General Election-2018, the polling station was not established at the given place and the polling station, which was established then has been retained. He further submits that distance of current polling station is only two (2) to three (3) kilometers from the houses of petitioners.

We have heard the parties and find no reason having a basis on statutory provision to allow this petition. The current polling station in village Kot Ghulam Shah is only two to three kilometers away from petitioners' houses and cannot be termed as inconvenient. No case for indulgence is made out. Instant petition stands dismissed along with pending application(s), if any.
