This petition has been filed for seeking directions to the official Respondents to remove illegal encroachment made by the private Respondents, who are present in person and have denied the allegations of encroaching the land of graveyard situated in Survey Nos. 63.12 & 64.31, Deh Burgri, UC Burgri, Taluka Kharipur.

Mukhtiarkar, Taluka Khairpur, has filed a report and confirmed that it is a government land in Survey Nos.63 & 64 of the above address and he has already visited the place and removed whatever the encroachment was found there. He further submits that in case, in future, any of the Respondents are found to have encroached any area of the graveyard, he would register FIR against them and would make sure that legal action is taken against the encroachers. Since Mukhtiarkar has filed a report that encroached area of the graveyard has been dismantled and the land of the graveyard has been restored, this petition has served its purpose and is accordingly disposed of.
