- 1. For order on CMA No.13641/2025 (Urgency)
- 2. For order on CMA No.10246/2025 (Contempt)
- 3. For order on CMA No.9233/2025 (Restoration)

07.8.2025

Mr. Arshad Jamal Siddiqui advocate for the petitioners

- 1. Urgent application is allowed.
- 2-3. These are contempt and restoration applications as the earlier contempt application of the petitioners was dismissed on 05.5.2025.

Order dated 05.5.2025 is setup below for ease of reference; -

“This is an old case of 2017, which is over eight years ago. It appears that this is a disposed of petition and only contempt of Court application is pending. However, today none present for the petitioners without intimation despite this is a date by Court matter. It appears that the applicants / petitioners have lost interest in pursuing this contempt of Court application i.e. CMA No.375/2025, which is accordingly dismissed for non-prosecution.”

Learned counsel for the petitioners has not made out a case of restoration in the light of the aforesaid order, which has reproduced above and as such the restoration application as well as contempt application are accordingly dismissed.
