-----

This is an old case of 2015, which is over 10 years ago. On the last date of hearing, which was 23.4.2018, none was present for the petitioner without intimation. Since a lapse of almost seven years, no urgent application has been moved. Today, the petitioner and his counsel are called absent without intimation. It appears that the petitioner has lost interest in pursuing this petition, which is accordingly dismissed for non-prosecution alongwith listed / pending application(s).
