------	----------------------------------

1. For order on CMA No.19648/2020 (Exemption)
2. For hearing of main case

12.5.2025

None present for the petitioner

This is an old petition of 2020, which is almost five years ago. It was last taken up on 28.9.2020, which is almost five years ago. In the last five years, the petitioner has failed to diligently pursue this petition. Today, once again, despite the lapse of almost five years, none present for the petitioner without intimation. It appears that the petitioner has lost interest in pursuing this old petition, which is accordingly dismissed for non-prosecution alongwith listed application.
