Date	Order with signature of Judge(s)
------	----------------------------------

For order as to non-prosecution

**23.4.2025**

None present for the petitioners  
-----

This is an old case of 2017, which is over eight years ago. On the last date of hearing i.e. 04.12.2019, which is over five years ago, none was present for the petitioners. As per diary sheet, the matter is fixed for non-prosecution as notice has not been issued and cost has not been paid. The matter has not been pursued by the petitioners since last almost eight years. Today, none present for the petitioners without intimation. It appears that the petitioners have lost interest in pursuing this old petition, which is accordingly dismissed for non-prosecution.
