Constitutional Petition No. D-4578 of 2022

Date	Order with signature of Judge(s)
------	----------------------------------

- 1. For order on CMA No.19440/2022 (Exemption)
- 2. For hearing of main case

27.8.2025

None present for the petitioner

This is an old case of 2022, which is over three years ago. On the last date of hearing i.e. 04.8.2022, an advocate held brief on behalf of learned counsel for the petitioner. Despite lapse of three years, learned counsel for the petitioner has failed to diligently pursue this petition. Today, once again, despite lapse of three years, learned counsel for the petitioner is called absent without intimation. It appears that the petitioner has lost interest in pursuing this old petition, which is accordingly dismissed for non-prosecution alongwith listed application.
