

**ORDER SHEET**  
**IN THE HIGH COURT OF SINDH AT KARACHI**

Constitutional Petition No. D-6183 of 2022

Date	Order with signature of Judge(s)
------	----------------------------------

For order as to non-prosecution

**28.8.2025**

Syed Shoa-un-Nabi advocate for the petitioner

-----

This petition, which is over three years old, was fixed for non-prosecution. By showing grace and indulgence, on 27.8.2025, this Court passed the following order: -

*“This is an old petition of 2022, which is over three years ago. In the last three years compliance has not been made. The matter is fixed for non-prosecution. Today Syed Shoa-un-Nabi advocate files Vakalatnama on behalf of the petitioner, which is taken on record. Prima facie, this is abuse of the process of the Court by the petitioner, who has not made any efforts to pursue this matter in the last three years and has not even made compliance. He shall make compliance by the next date of hearing. Syed Shoa-un-Nabi advocate for the petitioner already has a copy of the petition.  
To come up on 28.8.2025.”*

We are astonished to see that order dated 27.8.2025 has not been complied with and still compliance has not been made and as such, today, this petition is fixed for non-prosecution. It appears that the petitioner is least serious in pursuing this old petition, which is accordingly dismissed for non-prosecution.
