02.9.2025

None present for the petitioner

This is an old petition of 2023, which is almost two years ago. It was last taken up on 15.1.2024, which is over one and a half years ago. Compliance has still not been made in the last one and a half years. Today, the matter is fixed for non-prosecution. It appears that the petitioner has lost interest in pursuing this old petition, which is accordingly dismissed for non-prosecution alongwith pending application(s).
