Learned counsel were heard, wherein the complainant of the Illegal Dispossession Act in question, who is applicant, was of the view that his proceedings in accordance with law will be hampered by including of the private respondents ~~part~~, whereas the respondents only require that their version be brought before the Court in order to protect their civil rights as may be so determined in their civil proceedings, to which the said complainant is also a party. It is consented to by the learned counsels that respondents No.1 to 3 in Criminal Revision Application No.S-21/2022 and respondent No.54 in Criminal Revision Application No.S-100/2021 will not be participating in the criminal proceedings of the Illegal Dispossession Act in any manner as the required purpose on their part of
