ORDER

Mahmood A. Khan, J. – Present applicant seeks bail in Crime No.217 of 2025, registered at Police Station Mehrabpur, District Naushahro Feroze, under Section 9(1) Sr. No.3(b) of the Sindh Control of Narcotic Substances Act, 2024, wherein it is alleged that 594 grams of charas have been recovered from him.

2. Learned Counsel for the applicant contends that no sample for chemical examination is reported to have been separated at the site in the FIR. It is also contended that the subject area being thickly populated no attempt apparently has been made to associate private witnesses; that 594 grams of charas have been alleged to be recovered from the present applicant, who does not bear a CRO of narcotics; that the present applicant has been roped in on account of tribal rivalry; and that the punishment is nine (09) years, as such the same does not fall within the prohibitory element.

3. Learned Additional Prosecutor General, however, opposes the bail application contending that entire recovery was sent; as such, no separation for chemical analysis is required in the matter.

4. Having heard the learned Counsels and gone through the record, the presence of no CRO of narcotics along with no recovery of the amount

and the element of two police constables having indulged into the recovery, to which no private witness was associated, are found sufficient grounds to entertain where the quantity as alleged to have been made is found available, and accordingly bail application stands **allowed**, and the applicant is admitted to post-arrest bail against the surety of Rs.1,00,000/- (*Rupees one lac*) and the P.R. bond in the like amount to the satisfaction of the learned trial Court.

The bail application stands **disposed of** in the above terms.
