-----

Learned counsel for the plaintiff informs that out of all the legal-heirs/defendants Defendant No.8 is creating hurdles in execution of preliminary decree. The record also shows that the Defendant No.8 on 23.5.2013 was compelled to attend the Court through bailable warrants and he has furnished the personal bond of Rs.50,000/-. However, again he remained absent and he has not been complied with the order of this Court whereby he is required to hand over original title documents of the property in question which have already been ordered to be auctioned by this Court. The plaintiff has already deposited the expenses for auction of these properties. Nazir is directed to proceed with the auction and the auction should take place on the premises of the properties. In the meanwhile, bailable warrants in the sum of Rs.2,00,000/- against Defendant No.8 be issued and he be produced in Court alongwith the original title documents of the properties.

In terms of above order CMA No.10108 of 2013 is disposed of.
