SUIT B-63/2012  
For hearing of CMA No.8643/2014.

SUIT B-64/2012  
For hearing of CMA No.8645/2014.

**18.11.2014**

Mr. Kumail Ahmed Shirazi advocate

-----

This is contempt application and despite several notices the contemnors are not coming forward. The main issue raised by the plaintiff bank is that guards posted by the official assignee in terms of order dated 11.6.2013 have been removed by the contemnors/defendants or atleast they have been deputed at the place from where the purpose of their posting as guards is being nullified. The next contention is that despite order of the Court goods pledged are lying in godown of the defendant should always be ensured in the name of the bank at the cost of the defendants and the insurance company has informed vide their letter dated 5<sup>th</sup> September 2013 that the pledge goods are no more insured. In the first place official assignee is directed to revisit the premises in question, make inventory of the goods and seal the goods and post their guards at the appropriate place and identified in the reference to be filed subsequently and if the defendants remove the guards or post them somewhere else, he should immediately report to the Court. The fee of Official Assignee may be suggested by the Official Assignee in the compliance report to be filed within two weeks.
