.-.-.-.

Suit is pending since 1995. This case has been repeatedly listed for evidence of the Plaintiff since 21.11.2003 as diary suggests. On 8.2.2005 none was present. On **31.5.2005** suit was dismissed for non-prosecution and on 29.9.2005 the suit was restored and then again listed for evidence and from 24.11.2005 this case was listed for evidence but evidence was never produced in Court. Application for condonation of delay in filing the list of witnesses on 20.10.2008 was subsequently dismissed and again this case was continuously listed for evidence from 16.5.2007 onward but none was present. Again instead of producing evidence, application was filed by the Plaintiff but evidence was not produced, which was dismissed on 17.1.2007. Again in 2008 three applications were filed instead of producing evidence. These three applications were also dismissed and suit was also dismissed on **20.1.2009** second time for non-prosecution. On 4.5.2009 suit was restored to its original position. On 4.5.2009 again it was listed for evidence but no evidence has ever been produced by the Plaintiff but in 2010 similar applications which were dismissed earlier were repeated but the same were also subsequently dismissed. No justification has been given by the Plaintiff for not producing the evidence for last almost 08 years. Today again neither witness is in

attendance nor counsel for Plaintiff, therefore, suit is dismissed for want of evidence alongwith all pending applications.
