This Revision Application is pending since 2010 against the concurrent findings of dismissal of the suit by the trial court and the appellate court. Concurrent findings of facts in Civil Revisions can hardly be reversed by revisional court. I have gone through the grounds of appeal and found that the learned counsel for the applicant, who always remained absent, has not pointed out any misreading or non reading of the evidence in the memo of Revision Application. Since February, 2013, even the applicant and his counsel both are not appearing in this court. On 19.02.2013, 26.04.2013, 13.09.2013 and 16.12.2013, nobody appeared to advance arguments on behalf of the applicants.

In view of the fact that apparently there is no misreading or non reading of evidence nor learned counsel has mentioned in the memo of Revision and even today learned counsel for the applicants did not come forward to advance his arguments in support of the Revision Application, therefore, this Revision Application is dismissed for non-prosecution.
